This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an Application filed by Richard Clyburn & Doretha Tate d/b/a R & D Bus Service ("Applicant" or "R & D Bus Service") to reinstate Class C Charter Bus Certificate No. 0095 ("Certificate"). Certificate No. 0095 was issued to R & D Bus Service by Commission Order No. 1999-515, dated August 2, 1999.

By Commission Order No. 2004-3, dated January 14, 2004, issued in Docket No. 2003-344-T, a Rule to Show Cause Hearing was set for holders of Certificates of Public Convenience and Necessity that had failed to file the required evidence of insurance and had failed to comply with the statutes governing operations of Motor Vehicle Carriers in South Carolina. The holders of Certificates of Public Convenience and Necessity addressed in Order No. 2004-3 were given thirty (30) days from the date of receipt of the Order to respond to the allegations of their failure to comply with the requirements stated above. The record reflects that R & D Bus Service was a respondent to the Rule to Show Cause for failure to file the required evidence of insurance.

For those motor carriers who had not responded to the prior notifications of noncompliance, a public hearing regarding this matter was held on Wednesday, March 24, 2004, at 2:30 p.m. The Commission found that the Certificates of Public Convenience and Necessity held by certain carriers should be revoked and cancelled for the continued, willful violation by these carriers of the Commission's Rules and Regulations and/or the South Carolina statutes governing Motor Vehicle Carriers [S.C. Code Ann. Section 58-23-10 et. seq. (1976)], with the specific violation being the failure to maintain insurance coverage as required. Accordingly, the Commission issued Order No. 2004-165, dated April 1, 2004, which cancelled R & D Bus Service's Certificate No. 0095.

The record reveals that the Applicant has retained insurance coverage needed for R & D Bus Service to be in compliance with the Commission's Rules and Regulations and the statutes governing Motor Vehicle Carriers with respect to filing evidence of insurance. By letter received April 7, 2004, R & D Bus Service requests that the Certificate in question be reinstated.

The Commission is of the opinion, and so finds, that the above-mentioned Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations.

IT IS THEREFORE ORDERED:

1. That Certificate of Public Convenience and Necessity No. 0095 in the name of Richard Clyburn & Doretha Tate d/b/a R & D Bus Service be, and hereby is, reinstated, subject to compliance with all Commission Rules and Regulations within sixty (60) days of the date of this Order.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with all applicable statutes and the Commission's Rules and Regulations within sixty (60) days of the date of this Order.

3. That prior to compliance with the applicable statutes and the Commission's Rules and Regulations, including the requirements of filing proof of insurance and the payment of any license fees, the motor carrier services authorized by the Certificate shall not be provided.

4. That the failure of the Applicant to either (1) complete the certification process by complying with the requirements of filing with the Commission proof of appropriate insurance and the payment of license fees and such other information required by law within sixty (60) days of the date of this Order or (2) request and obtain from the Commission additional time to comply with the requirements stated above, shall result in the authorization approved in this Order being revoked.

5. That this Order shall remain in full force and effect until further Order of the Commission.

Mignon L. Clyburn, Chairman
